Awards by county

County award guide | Source dated August 11, 2026

Amounts are approved awards unless marked care-coordination budget. County placement follows the named facility or project location; it is not a county-government payment or an exclusive service area. Shared awards appear once on page 7. No county totals are calculated.

Albany County

EMS | Laramie Fire Department / City of Laramie	$2,200,000
Care-coordination budget | Instaclinic LLC	$133,500

Big Horn County

Hospital | South Big Horn County Hospital District (Three Rivers)	$2,656,000
Hospital | North Big Horn Hospital District	$1,000,000
Care-coordination budget | William H. and Carrie Gottsche Foundation	$105,420

Three Rivers swing-bed funding requires WDH approval of costs and allowability. Also see shared One Health awards (p. 7).

Campbell County

EMS | Campbell County Health	$1,700,000
Technology | Campbell County Health (round 1)	$202,590
Technology | Campbell County Health (round 2)	$381,672
Care-coordination budget | Instaclinic LLC	$151,440

Carbon County

Hospital | Memorial Hospital of Carbon County	$5,750,000
Hospital | North Platte Valley Medical Center	$1,750,000
Care-coordination budget | University of Wyoming Family Medicine	$108,540

Reading notes: Hospital = initiative 1.1 (source p. 2); EMS = 1.2 (p. 3); Technology = 3.1 (pp. 5-6); Primary care = 4.1 (p. 7). Care coordination = 4.2 (p. 8): the source labels providers as recommended applicants and amounts as total budgets, not individual approved awards. Full source notes are retained in the companion appendix.

Sheridan County

Hospital | Sheridan Memorial Hospital	$6,662,685
EMS | Sheridan Memorial Hospital	$2,200,000
Care-coordination budget | Sheridan Memorial Hospital	$150,660

Swing-bed funding requires WDH approval of costs and allowability. See shared One Health awards (p. 7).

Sublette County

Hospital | Sublette County Hospital	$1,750,000
Care-coordination budget | Community Strong LLC	$84,360

An additional $2.2 million EMS award has a clipped lead-agency name; county assignment cannot be confirmed from this source (p. 7).

Sweetwater County

Hospital | Memorial Hospital of Sweetwater County	$1,500,000
Care-coordination budget | Community Strong LLC	$158,460

Hospital award requires timely submission of a sustainability plan. See shared Health West project (p. 7).

Teton County

Hospital | St. John's Health	$1,250,000
Care-coordination budget | Community Strong LLC	$82,800

Health West proposes evaluating a possible access point here (p. 7). Teton County Health Department primary-care application was ineligible: not an FQHC or Tribally run 638 clinic.

Reading notes: Hospital = initiative 1.1 (source p. 2); EMS = 1.2 (p. 3); Technology = 3.1 (pp. 5-6); Primary care = 4.1 (p. 7). Shared, tribal & statewide awards

County award guide | Source dated August 11, 2026

Shared amounts below are whole-project awards. The source provides no county-level split; do not add the full amount to every county mentioned.

One Health | Integrated primary care New sites: Gillette and Buffalo. Existing sites: Sheridan, Lovell, Greybull, Powell and Cody. Expands service lines and prenatal/postpartum access. Review recommendation of $5 million reflected a 25% cap; final approved award is shown at right.	$9,891,284
One Health | Technology EHR replacement; 5% applicant match. County split not specified.	$376,636
Health West | Integrated primary care Renovates Evanston and Rock Springs clinics; expands prenatal/postpartum services. Evaluates a possible Kemmerer or Teton County access point. Excludes approximately $94,400 for Oura rings.	$2,251,211.20
Educational Health Center of Wyoming | Integrated primary care Rawlins access point; Cheyenne oral-health/pharmacy expansion. Practice buyout prohibited. Increased funding conditional on Department-approved sustainability plans.	$3,383,753
HealthWorks | Integrated primary care New access points in Wheatland, Torrington and Pine Bluffs. Coordinate Platte County projects with Community Action. Increased funding conditional on Department-approved sustainability plans.	$5,844,424
Community Action of Laramie County | Integrated primary care East Cheyenne and Platte County access points (Platte co-located with public health). Coordinate with HealthWorks. Increased funding conditional on Department-approved sustainability plans.	$1,136,000
Instaclinic LLC | Technology 20% applicant match. May count toward capital-construction limit. No project location identified in source.	$406,784
EMS | Lead-agency identity unresolved Source name ends at “The "new" EMS Department will consist of the Town of Pin”. EIN 83-6000083. County assignment requires confirmation.	$2,200,000
Northern Arapaho | Care-coordination budget No bidders; source recommends sole source with Tribal provider.	$164,700
Eastern Shoshone | Care-coordination budget No bidders; source recommends sole source with Tribal provider.	$102,300

Primary-care review notes for EHCW, HealthWorks and Community Action describe score-based reductions in the recommendations. The larger figures above are the final approved amounts; sustainability conditions remain applicable.

Statewide funding & qualifications

County award guide | Source dated August 11, 2026

Physician graduate medical education (GME) | $17,712,410

University of Wyoming, College of Health Sciences - Department of Graduate Medical Education	$6,263,043.10
University of Utah	$9,255,398
Cheyenne Regional Medical Center | statewide GME Council	$2,193,968.90

UW approval requires allowable expenditures and a five-year Wyoming service commitment. Review notes support the Buffalo Rural Training Program and require future programs to demonstrate service commitments and alignment with GME Council recommendations. Medicare GME eligibility, a robust study and regional/national engagement are emphasized; future family-medicine obstetrics or addiction fellowships are suggested. Utah funding doubles the request to support a second cohort with five-year service commitments; scoring was affected by questions not designed for out-of-state institutions. CRMC funds council development, consultants, a statewide needs study and long-term GME funding strategies.

Other program-level amounts | no county allocation supplied

Targeted EMS and labor/delivery support	$17,612,195
Workforce education: individual support (WIP)	$35,424,820
Workforce education: startup (WIP)	$3,193,440
Statewide tele-specialist	$3,493,440
Transportation coordination	$828,808
Centralized billing	$2,075,168
Exercise and healthy-diet promotion	$4,181,087
State Policy Action support	$819,500
Administrative expenditures	$1,867,792

Targeted support: one or more fiscal agents, with 50% for EMS sustainability and 50% for labor/delivery; sweep unallocated dollars into this contract as evenly as possible, allowing Department latitude between priorities. Fiscal-agent and WIP contracts are sole source. Tele-specialist, transportation and billing are competitively procured. Healthy-diet notes read “$1.7” via competitive RFP and “$2.4” to DFS for the SNAP waiver and Centsible Nutrition; the source omits units. Policy support notes UW PFE. Administration has no obligation requirement.

Program total: $205,004,742. Source limits: capital renovation 20% ($41,000,948; estimate $41,460,679); EHR replacement 5% ($10,250,237; estimate $5,128,336); provider payments 15% ($30,750,711; estimate $5,250,000). The capital estimate exceeds its stated limit by $459,731; this handout does not resolve allowability.

Source and scope: RHT - Advisory Committee - Award Approvals - 8.11.26.pdf, 8 pages. Budget-summary amounts are rounded; the detailed primary-care total is $30,465,504.74 (summary: $30,465,505). Care-coordination budgets sum to $3,218,160, including both Tribal areas. Approval is not proof of disbursement. Non-awarded applications, scores, match requirements and complete review notes remain in the companion source appendix. Some applicant names are clipped in the original; no missing text has been invented.
