TRANSFORMING RURAL HEALTH CARE ACROSS ALASKA

The Alaska Rural Health Transformation Program (RHTP) is a multi-year investment designed to improve health outcomes and strengthen the long-term sustainability of Alaska's rural health system across each of Alaska's 30 boroughs and census areas.

WHERE YEAR 1 FUNDING IS BEING INVESTED

Through six interconnected initiatives, RHTP supports projects that expand access to care, strengthen the health care workforce, improve financial sustainability, modernize technology and infrastructure, improve maternal and child health, and support healthier communities.

Awarded Funding by Initiative Area
(% of total announced)

Initiative	Description	Funding
Health Care Access	Expanding access to behavioral health, pharmacy, dental, specialty, and primary care services	$98.9M
Spark Technology & Innovation	Modernizing health technology, telehealth, electronic records, and digital infrastructure	$43.2M
Pay for Value	Improving financial sustainability and preparing providers for value-based care	$32.2M
Strengthen Workforce	Building Alaska's health care workforce pipeline through training and recruitment	$30.1M
Healthy Beginnings	Supporting maternal health, early childhood services, and youth wellness	$22.7M
Healthy Communities	Improving prevention, wellness, care coordination, and community health supports	$21.8M

Please note that subaward budget finalization is still in progress. The data presented reflects projected award amounts as of October 9, and minor adjustments to award amounts may occur as the process is completed. We anticipate more award announcements in the coming weeks.
